#### § 339.10 Notice of servicer's identity.

(a) *Notice requirement.* When a bank makes, increases, extends, renews, sells, or transfers a loan secured by a building or mobile home located or to be located in a special flood hazard area, the bank shall notify the Director of FEMA (or the Director of FEMA's designee) in writing of the identity of the servicer of the loan. The Director of FEMA has designated the insurance provider to receive the bank's notice of the servicer's identity. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee.

(b) *Transfer of servicing rights.* The bank shall notify the Director of FEMA (or the Director of FEMA's designee) of any change in the servicer of a loan described in paragraph (a) of this section within 60 days after the effective date of the change. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee. Upon any change in the servicing of a loan described in paragraph (a) of this section, the duty to provide notice under this paragraph (b) shall transfer to the transferee servicer.

#### APPENDIX A TO PART 339—SAMPLE FORM OF NOTICE OF SPECIAL FLOOD HAZARDS AND AVAILABILITY OF FEDERAL DISASTER RELIEF ASSISTANCE

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards.

The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's *Flood Insurance Rate Map* or the *Flood Hazard Boundary Map* for the following community: \_\_\_\_\_. This area has at least a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

\_\_\_\_\_ The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

- Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance also may be available from private insurers that do not participate in the NFIP.

- At a minimum, flood insurance purchased must cover *the lesser of:*

- (1) the outstanding principal balance of the loan; *or*

- (2) the maximum amount of coverage allowed for the type of property under the NFIP.

Flood insurance coverage under the NFIP is limited to the overall value of the property securing the loan minus the value of the land on which the property is located.

- Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.

\_\_\_\_\_ Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally-declared flood disaster.

### § 340.1 What is the statutory authority for the regulation, what are its purpose and scope, and can the FDIC have other policies on related topics?

(a) *Authority.* The statutory authority for adopting this part is section 11(p) of the Federal Deposit Insurance Act (FDI Act), 12 U.S.C. 1821(p). Section 11(p) was added to the FDI Act by section 20 of the Resolution Trust Corporation Completion Act (Pub. L. 103-204, 107 Stat. 2369 (1993)).

(b) *Purpose.* The purpose of this part is to prohibit individuals or entities who profited or engaged in wrongdoing at the expense of an insured institution, or seriously mismanaged an insured institution, from buying assets of failed financial institutions from the FDIC.

(c) *Scope.* The restrictions of this part generally apply to assets of failed institutions owned or controlled by the FDIC in any capacity, even though the assets are not owned by the insured institution that the prospective purchaser injured. Unless we determine otherwise, this part does not apply to the sale of securities in connection with the investment of corporate and receivership funds pursuant to the Investment Policy for Liquidation Funds managed by the FDIC as it is in effect from time to time. (d) *The FDIC retains the authority to establish other policies restricting asset sales.* Neither section 11(p) of the FDI Act nor this part in any way limits the authority of the FDIC to establish policies prohibiting the sale of assets to prospective purchasers who have injured any failed financial institution, or to other prospective purchasers, such as certain employees or contractors of the FDIC, or individuals who are not in compliance with the terms of any debt or duty owed to the FDIC. Any such policies may be independent of, in conjunction with, or in addition to the restrictions set forth in this part.
